

Looking for a Better Way? It's Allscripts MyWay™

If you've been waiting to deploy a healthcare technology solution at your practice because of cost and complexity barriers, the wait is over. **There is a better way: It's Allscripts MyWay.**

Physicians can qualify for up to \$72,000 in Healthcare IT incentives by implementing the Allscripts MyWay solution today. There are no up-front costs, no need for IT staffing, and no payments for the first 6 months! But you must act now. **Offer expires February 28, 2010!**

Simple. Affordable. Complete

The Allscripts MyWay solution is an integrated Electronic Health Record (EHR) and Practice Management Solution that's designed to work the way your practice works while providing the key features you require in a combined healthcare solution.

- ▶▶ **Simple:** Features such as offline synchronization, adaptive learning, and template-free charting create an easy-to-use environment for everyone in your practice.
- ▶▶ **Complete:** One unified database makes sharing clinical and business information effortless and seamless across your practice.
- ▶▶ **Affordable:** No payments for the first 6 months and for a low payment thereafter, the Allscripts MyWay solution does not require a large up-front investment or IT staffing.

The Allscripts MyWay solution can help to increase practice efficiency and profitability while reducing your technology concerns. The Time is NOW to take advantage of the incentives and experience the benefits of Allscripts MyWay.
