

V-100 Headset System

Designed specifically for contact centers and office environments, the VXi V100 wireless headset system provides hands-free mobility and superior audio performance for the office professional.

Key Features:

- 1.9 GHz DECT 6.0 technology provides crystal-clear voice quality and sound
- Talk up to 300 feet away from the base station and your desk phone
- Up to 10 hours of continuous talk time and up to 120 hours of standby time
- Superior noise-canceling microphone filters out unwanted background noise
- Designed for all-day comfort with 3 wearing styles: over-the-ear, over-the-head and behind-the-neck
- Easy to set-up and use. Features one-touch headset controls for volume, mute and remote call answer/end functionality
- 64-bit encryption ensures safe, secure and private conversations
